

## Winter Ready Special \$69.99 (\$129.00 Value)

- **Rigorous Safety Inspection:** We will check your brakes, your tire condition (including spare), your shocks or struts and your suspension. These items will help keep you safer during emergency situations.
- **Air Conditioning Performance Test & a Thorough Maintenance Inspection:** We check all of your lights and your horn. We also inspect your hoses, belts, and all fluids. We also inspect your cooling system to make sure you won't overheat on a long trip and to make sure your antifreeze is working right for trips to cold areas.
- **Battery Life Test:** Utilizing state-of-the-art equipment, we analyze your battery and charging system. With this test we determine the 'state of charge' of your battery and we will make recommendations based upon the result.
- **Rotate Tires:** If your tires are ready for a tire rotation, we will also perform this service. Tire rotation is an important safety service that should be done about every 2 oil changes or 5,000 or so.
- **Replace your Wiper Blades:** Nothing is more frustrating than bad wiper blades on a road trip. With this special offer, we will replace your front wiper blades with new ones. Up to 22" wiper blades, most cars, light trucks and SUVs.
- **Premium Oil Change Service:** Includes up to 7 quarts of premium oil, premium oil filter, lubricate chassis if applicable.
